Montréal Communiqué

October 21, 1970

INVITATION

Some specifics of efforts to effect a reconciliation between different racial groups will be outlined by Lloyd Hinds, National Secretary of the YMCAs of Guyana, South America.

Mr. Hinds, a former school principal, will be the guest speaker at a 12:30 p.m. luncheon on Thursday, October 22, in the Board Room, Montreal Downtown YMCA, 1441 Drummond Street.

"We feel that our partnership with the Montreal YMCA is evolving into a relationship that could point the way for Canada to provide increased leadership to the development of the Carribbean area," says Mr. Hinds.
